

**U. S. Department of Energy
Office of Civilian Radioactive Waste Management**

**Overview of Operations Regarding
Storage & Transportation Activities**

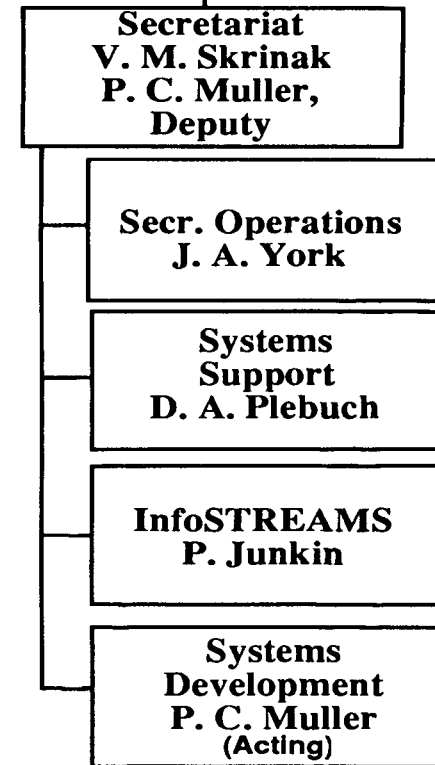

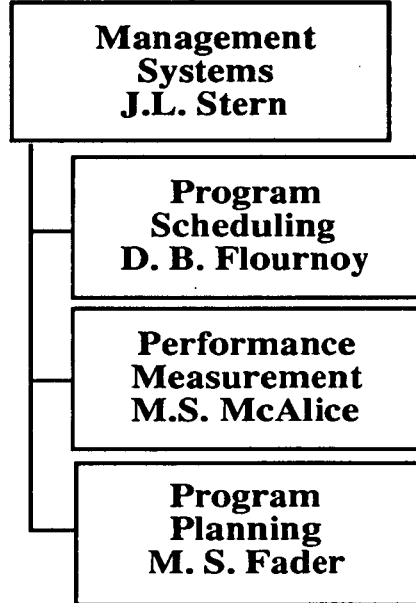

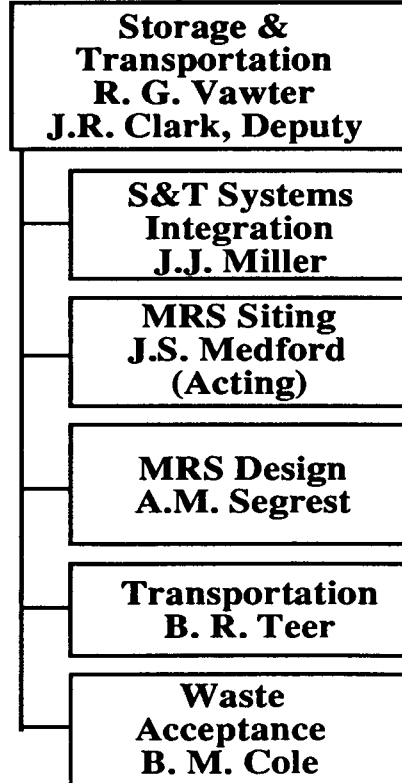

**Raymond W. Godman
Assistant General Manager, Operations
M&O/TRW
Vienna, VA**

July 7, 1992

Organization

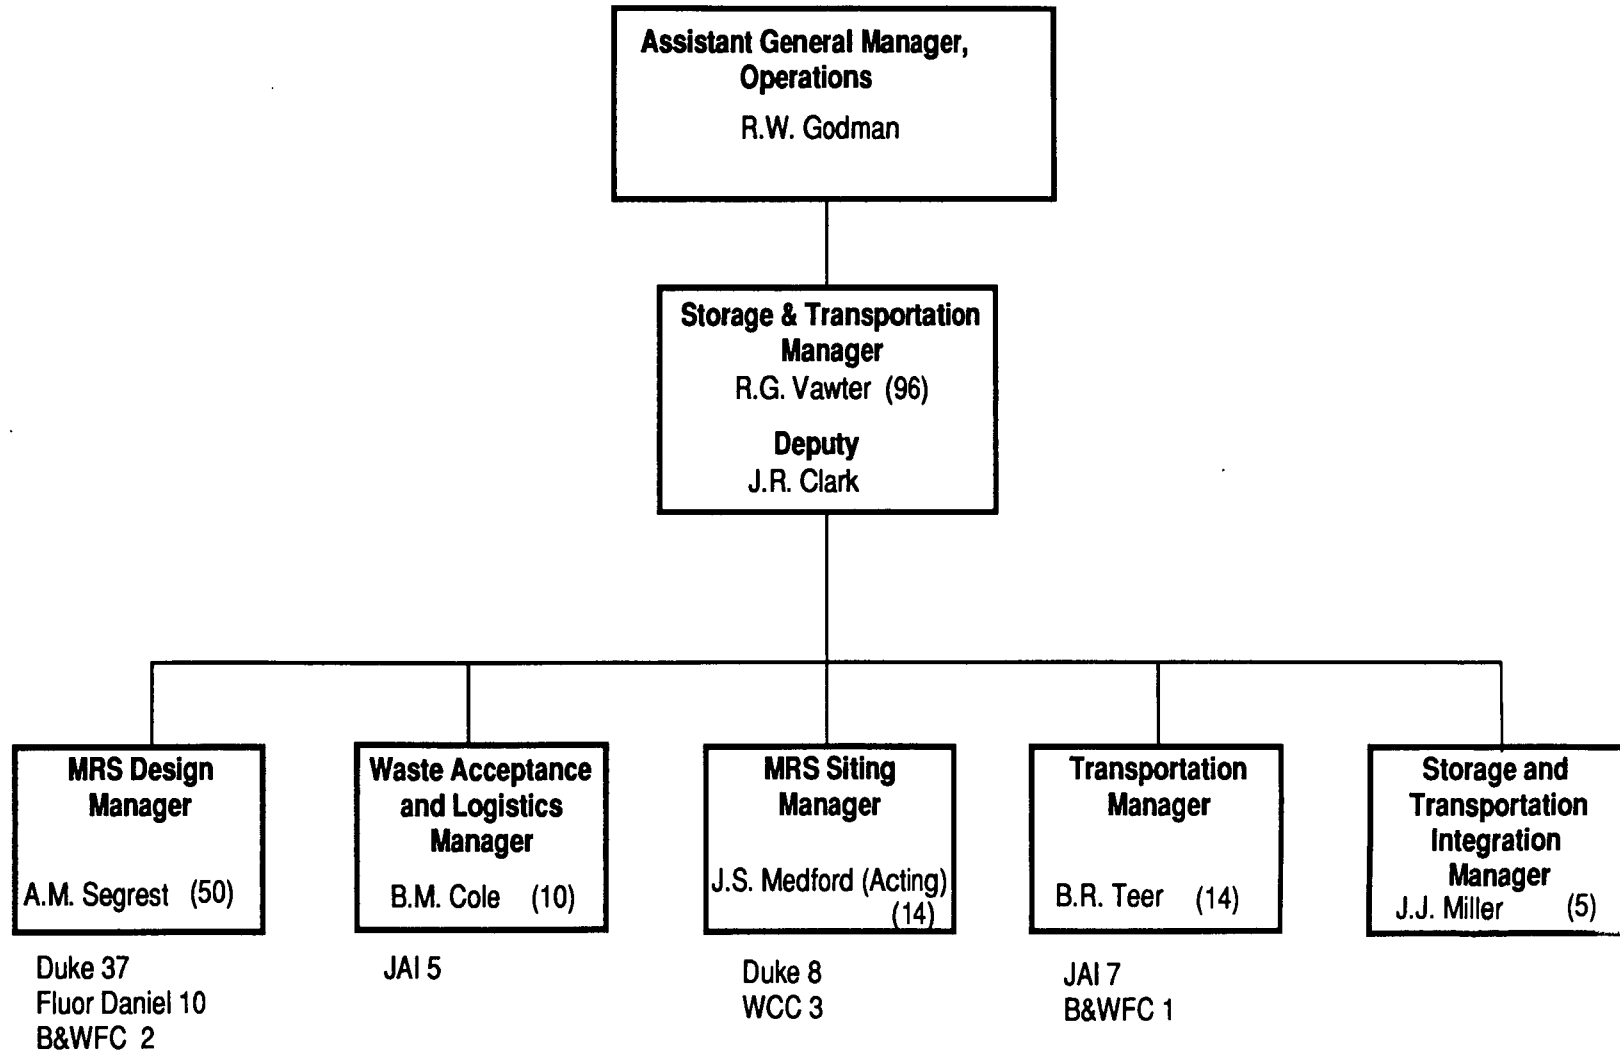

**Assistant General Manager
Operations
R. W. Godman (247)**

**K.M. Cline
T. A. Faries
E.R. Johnson
H. L. Setzer**

Storage and Transportation Organization

June 1992

Storage and Transportation

- **Significant Accomplishments, FY'92**
 - Delivered MRS Conceptual Design Report (CDR) to OCRWM
 - Developed fee adequacy assessment methodology for Waste Acceptance
 - Delivered preliminary draft of RFP for Phase 1 Transportation Cask systems
 - Successfully completed MRS Design and Transportation Readiness Reviews
 - Completed Peer Review of QA requirements for Initiative 1 Transportation Cask RFP
 - Delivered Environmental Assessment Technical Guide to DOE

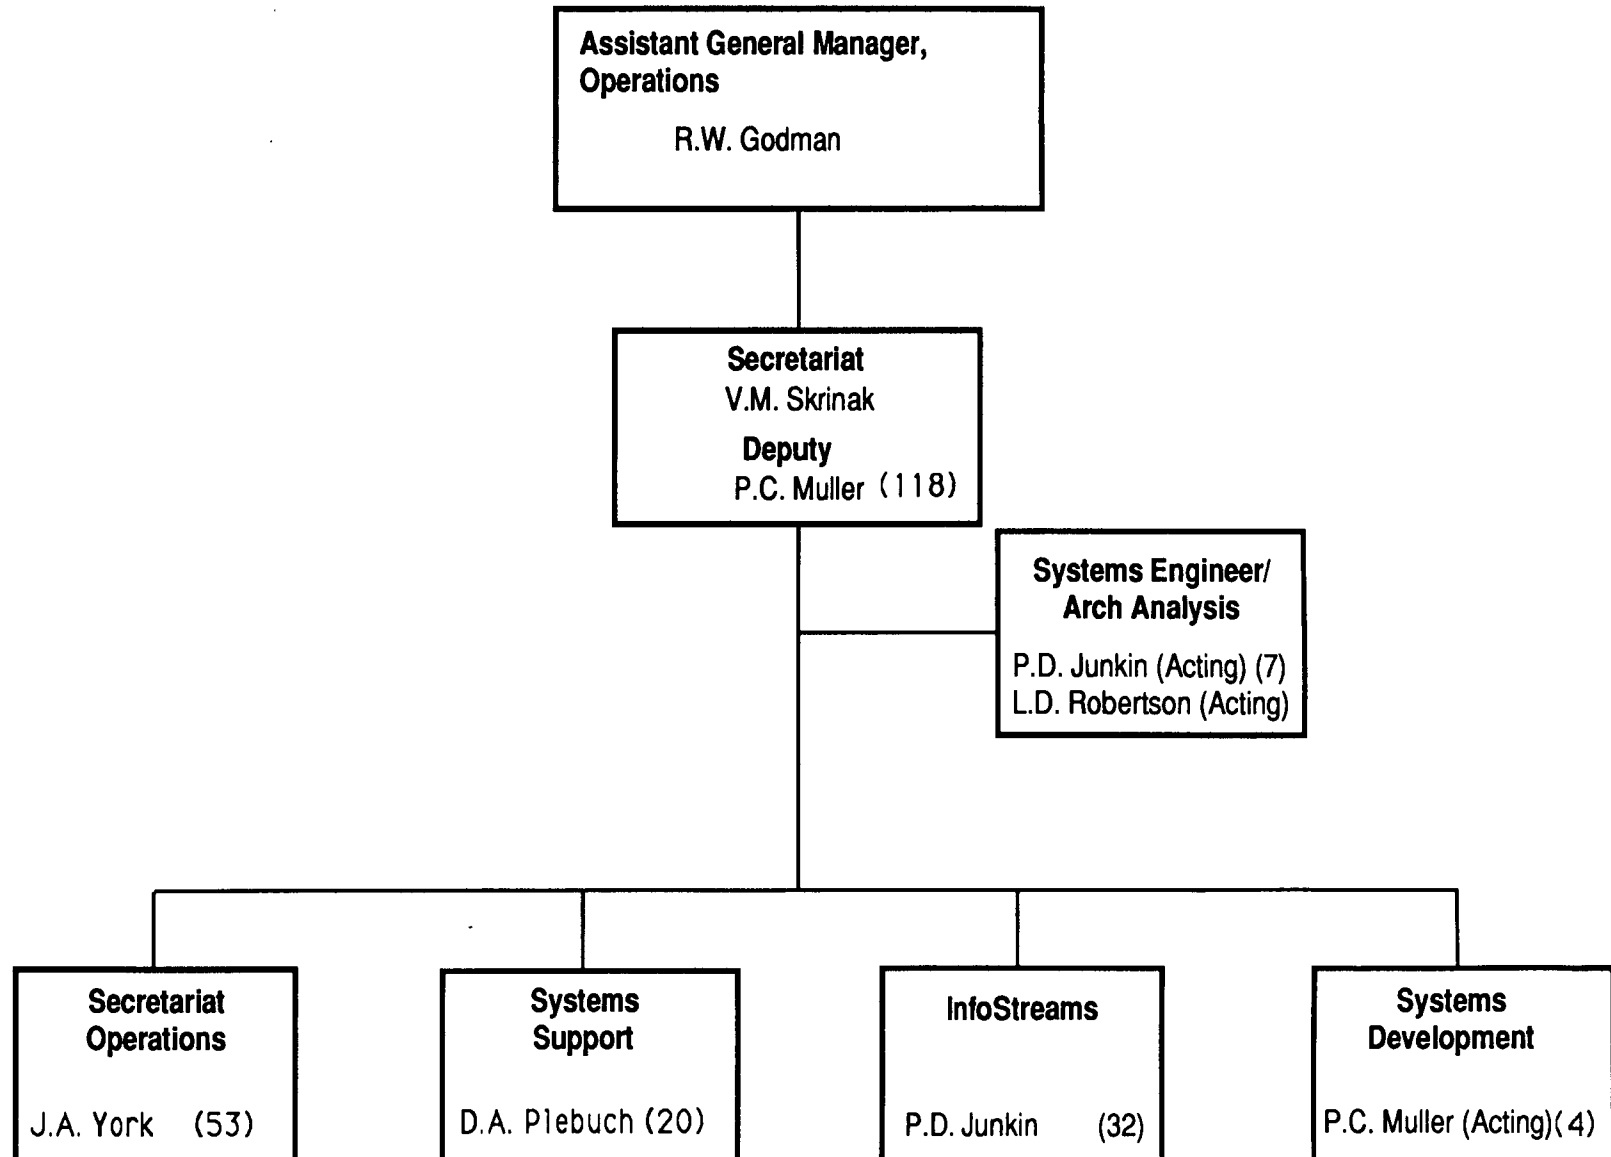

Storage and Transportation (continued)

- **Major Tasks, FY'92/93**

- Prepare MRS project office Management Documents
- Draft Acceptance Priority Ranking, and Annual Capacity and Storage Requirements reports
- Evaluate MRS storage technologies (8 vendors)
- Achieve KD-1 and initiate SAR Design
- Continue ongoing support to Negotiator through DOE
- Place Phase 1 Transportation cask contracts to selected vendors

Secretariat Organization

June 1992

Secretariat

- **Significant Accomplishments, FY'92**
 - Records Management Transition to M&O
 - InfoSTREAMS Increment 1 Development and Deployment
 - ARMS Requirements and Design
 - InfoSTREAMS Demonstration at High Level Waste Conference

Secretariat (continued)

- **Major Tasks, FY'92/93**
 - Test and evaluate Document Capture System (DCS)
 - Deploy InfoSTREAMS Increment 1 to selected M&O and OCRWM HQ participants
 - Complete InfoSTREAMS Increment 2 Development and Deployment
 - Deliver final ARMS software system to selected M&O and OCRWM HQ participants

Information Storage Retrieval Access Management System "InfoSTREAMS"

- **Purpose**

A nationwide information management system to support the CRWM program

- Increment 1 - Automated document coordination and distribution, standard office automation package

TESS Delivery Date - June 1992

- Increment 2 - Integrated human-machine interface, forms processing

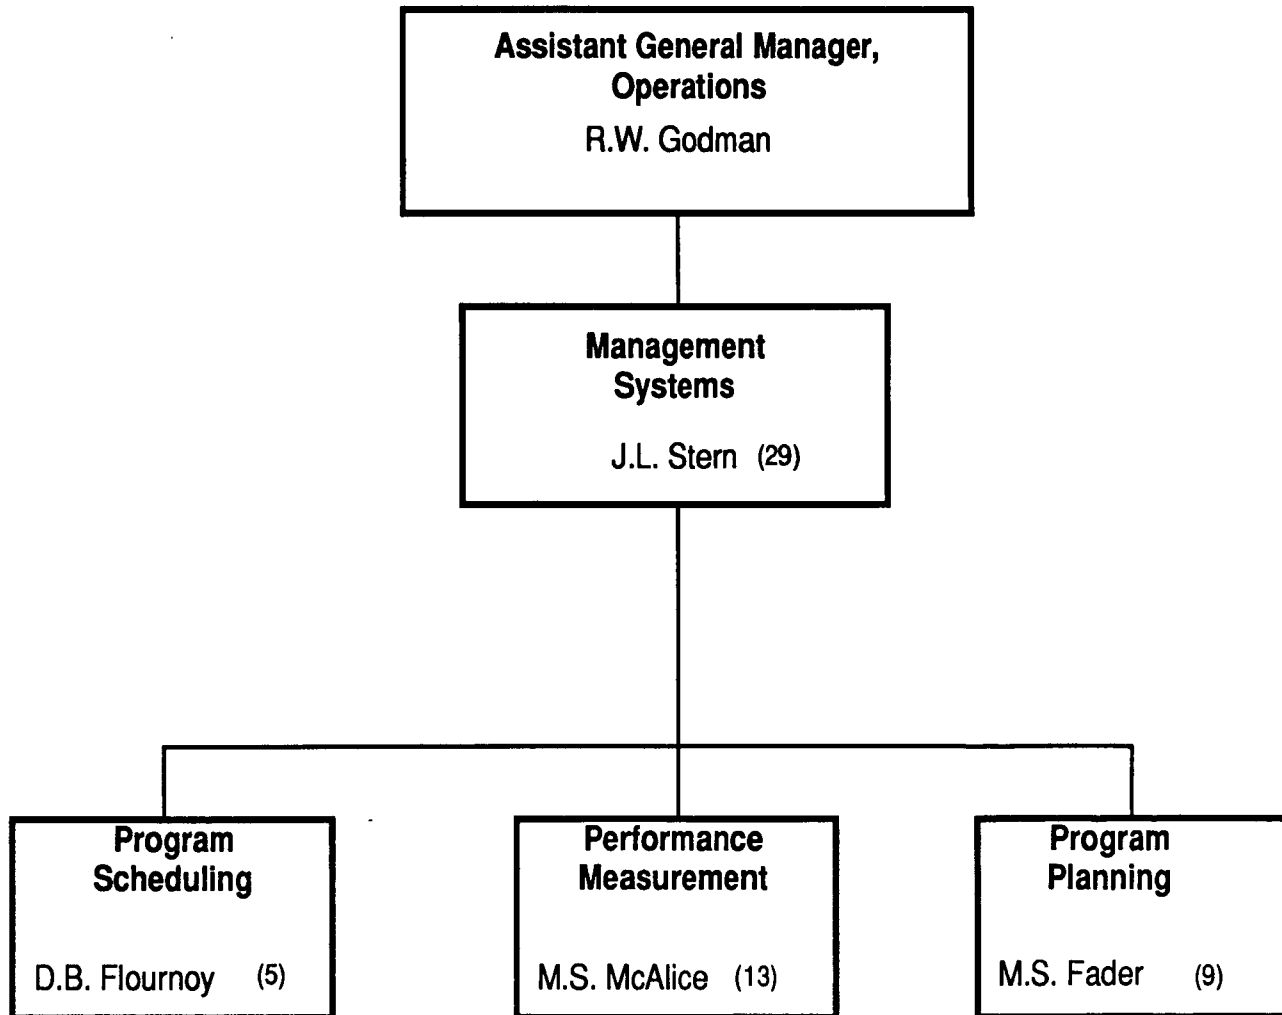

TESS Delivery Date - March 1993

"InfoSTREAMS" (continued)

- Increment 3 - record registration and retrieval; start automation of formal records management process
TESS Delivery Date - March 1994
- Increment 4 - capture/storage of text and image
TESS Delivery Date - April 1994

Management Systems Organization

June 1992

Management Systems

- **Significant Accomplishments, FY'92**
 - Completed M&O Management Plan
 - Developed Integrated Network schedules for Storage and Transportation (RW 40)
 - Proposed Integrated Network Schedules for OCRWM Systems and Compliance (RW 30)
 - Implemented formal Performance Measurement for M&O Activities

Management Systems (continued)

- **Major Tasks, FY'92/93**
 - Complete Integrated Network schedules for CRWMS Program
 - Performance Measurement of CRWMS Program
